Dear Mark: I hope you had a good Thanksgiving holiday. Please find attached:

1. Annual Monitoring Reports for 2016-17 and 2017-18. Please note that the first of these is already in the administrative record (#1607, I think), as are prior year reports.
2. Combined unit flows and daily temps for May-Sept. 2017
3. 15-minute temps for May-Sept. 2017

Please let me know if you have any questions about these data.

Thanks,

Stephen
